SightCore Limited Warranty

What is covered. SightCore warrants each product to be free from defects in material and workmanship under normal use and service for twelve (12) months from the date the product is delivered to you.

What SightCore will do. SightCore will repair or replace the defective part or product, at its option, at no charge for parts and covered labor. This is your exclusive remedy. SightCore will decide any claim on a reasonable basis and will give its reasons in writing if a claim is denied.

Who is covered. This warranty covers the original purchaser and transfers with the product to a subsequent owner for the unexpired remainder of the twelve-month period, at no charge, on written notice to SightCore identifying the serial number and the new owner.

Parts replaced under warranty are covered for the remainder of the original period or ninety (90) days, whichever is longer.

What is not covered. This warranty does not cover:

- wear and consumable items
- routine maintenance, adjustment, cleaning and decontamination;
- damage from accident, misuse, abuse, neglect or improper storage; or operation outside published specifications, including immersion, pressure, temperature or chemical exposure beyond the product's published rating;
- modification, or repair attempted by anyone other than a SightCore-trained technician;
- failure caused by non-OEM parts, accessories or consumables, where the non-genuine item is a cause of the failure;
- power supplied outside the product's rated tolerance, or damage from an attached device that exceeds its tolerance;
- damage occurring in transit, which is handled as a carrier freight claim;
- cosmetic conditions that do not affect function or safety; software supplied with or used alongside a product; and any product whose serial number has been removed or defaced.

How to make a claim. Contact your SightCore dealer. Warranty repairs are performed at an authorized dealer's facility or at SightCore. If a product cannot be shipped and an on-site assessment is required, travel, lodging and incidental expenses for a SightCore representative are the owner's responsibility.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY SIGHTCORE MAKES. SIGHTCORE DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF
